

Inspired by the sights and smells of a recent autumn getaway in the little wine country town of Sonoma, California, Butterscotch & Rose is my interpretation of my favorite season! The collection flowed directly from the mix of harvest leaves, gourmet bistros, walks in the woods, gorgeous tones of roses still blooming [after all this is California] and the scents of the beginnings of the wine harvest. I hope that I was able to capture all that this region brought to me as its September gift. Happy Sewing, Joanna.
