

# Serenade

kate SPAIN

As the crisp air of autumn whirls in, a kaleidoscope of lively color dapples the wooded landscape in shades of damson, orange and green. Delight in the season's melodious "Serenade" of migrating butterflies, brilliant foliage, and meadow thistles.

Create a patchwork panorama with these harmonious designs, or make your own amusing kitchen apron with the cut-and-sew panel where a barn owl wisely sings, "Life's a Hoot". A bountiful harvest of creativity awaits you!
