

Holly Wishes

Kansas Troubles Quilters

The lovely holly print in this collection inspired the name, *Holly Wishes*.

The sentiment of the holidays is in our hearts even if we don't have the time to put up our 10' tall Christmas tree every year. An ever-green swag on the mantel and a holly wreath hung with some special ornaments and a big red bow make the season, and our home, feel a bit brighter. As long as the stockings are full of surprises with our loving wishes tucked inside, the season is enjoyed by all!
