

Madame Rouge

A Bonheur des Dames

**French
General**

Madame Rouge grew out of an assortment of scraps found on the floor of the atelier of an old seamstress in France. Several antique French florals, a simple stripe and a monogram print had all been used to make beautiful bed covers, curtains and pillows. Perhaps Madame had used the prints to make dresses for the local ladies or her daughter's dolls. Filled with the rich, signature mustard-yellows and reds of the south of France, Madame Rouge will bring a classic French look to your home and wardrobe!
