

BEYOND *Bella*

by BOUND CO.

Annie Brady

Annie Brady of Bound Co. is putting a new spin on Moda's Bella Solids, moving them into a new realm of expression.

Putting a simple, structured white print that Annie has titled *On Point*, onto thirty colors of Bella Solids, this rainbow palette can be used to create modern stand-alone projects, or they can be mixed with existing solids for an extra pop. To make color-matching a breeze, the numbers of Beyond Basics are the same as the corresponding Bella Solid.
