

Freedom Road

Kansas Troubles Quilters

The 4th of July is always a big celebration at my house. We love watching fireworks, eating a big potluck dinner and later, s'mores around the fire pit. It's even more special because my birthday is July 5th! I fill my home with patriotic quilts and I even have a big basket outside on the porch full of quilts to throw on the grass. I love decorating with these seasonal quilts because they never go out of style.

I hope you enjoy stitching with my Freedom Road collection, making quilts for the 4th of July and beyond.
