GOLDEN HOUR

ALEXIA MARCELLE ABEGG

Golden Hour by Alexia Marcelle Abegg captures the feeling of sitting outside in contentment on a late summer day, when the most pressing matter is watching the warm sunlight slowly stretch and fade into shadow. Alexia's signature handcrafted look and feel extends to the 24" x WOF Bandana Panel, which includes two large motifs that can be hemmed into bandanas, used as quilt blocks, the sides of bags, whatever you can imagine! Three rayon prints round out the collection.
