Life on the lake has many gifts, and the beauty of a star-filled night sky is one of them. Without the lights of town, the stars are brighter, and I can see more of them. Since this collection was inspired by stars, a sawtooth star print I call Starlight had to be included. Both the sky and this collection are colored in my favorite shades of blue - Indigo, Navy, and Cadet. While the stars above might not be cream, they still shine with the same contrast.
