

Story Time

American Jane

Don't we all love a good story? With this new collection, you will be able to tell some great stories. The panel brings us back to our childhood, and perhaps to grandchildren, and all the stages in between.

My new quilts each tell a story, as do the prints. There are so many bubbles it will make you laugh! Three different daisies, a playful ribbon, and even real ones. Then there are checks, both big and small, and dotted ones too. And finally, a tiny lattice will calm you down because, at my age, one must ration one's excitement.
