

Sunbonnet

by Heather Briggs of *My Sew Quilty Life*

"My bonnets full of posies, and my cheeks are oh so rosy."

Imagine a sunny stroll through the countryside, a lace-trimmed bonnet tied just so, and a basket brimming with freshly picked flowers. The Sunbonnet Collection is a heartfelt nod to those simpler, sweeter days, where time moved slower and every moment felt like a cherished memory. With soft shades of pink, blue, cream, and green, this collection is filled with delicate floral, dainty gingham, and vintage-inspired prints—perfect for quilts, heirlooms, and keepsakes made with love.

At the heart of the collection is a precious panel featuring little sunbonnet girls holding flowers, ready to inspire projects as charming and timeless as a bouquet of wildflowers. Whether you're making a cozy quilt or stitching up something special to pass down, I hope this collection feels like a little piece of the past brought back to life and adds a sense of nostalgia and sweetness to every project.
